## Termite Baiting and Monitoring

Termite baiting and monitoring systems have two associated costs, installation and monitoring. We provide free onsite measure and quote.

## Chemical Termite Treatment

Chemical termite barriers or live treatment vary in cost. We provide a free onsite measure and quote.

## End Of Lease Spray

Prices starting at \$99 for end of lease flea or general pest treatment. Subject to property upon inspection.

We provide a range of other pest management services for which we do not have fixed prices for. All prices above are inclusive of GST.
